Tuition

Current Schedule of Charges

Except where noted, all tuition and fees are mandatory and are subject to change. In the event of a change in tuition or fees, students will be given notification of the changes prior to the changes taking effect at the college. If a student needs to retake a course due to withdrawal or failure of the course, the student will be financially responsible to pay for the retaken course at the current tuition rate, which will add cost to the total amount quoted for the Associate or Bachelor's Degree program being sought.

Other Charges

Beyond those listed in this Current Schedule of Charges there are no other expenses *required* of the student to be paid to the college. Laurus College may sponsor events at the school or offer items for purchase, which the student may elect to participate in at the expense of the student.

Cost of Attendance

Laurus College does not provide or offer student housing. To assist in planning the entire cost of attendance, the estimate for room and board and transportation is \$1,031 per month for students living at home and \$1,934 for students living independently.

Payment Schedule

Tuition is due and payable when indicated by the enrollment agreement signed by the student. If a tuition payment check is returned due to insufficient funds, Laurus College reserves the right to drop all current and future classes for that student. Students will be notified of this action and assessed a return check charge. Laurus may require students who have written multiple non-sufficient fund checks to make all future payments by cashier’s check, cash, or money order. Laurus College reserves the right to modify tuition at any time, though the cost of tuition specified in any

enrollment agreement will be valid during the time the agreement is in effect. Students attending school through Workmen's Compensation or Veteran's Affairs should work with his or her Vocational Rehabilitation counselor to arrange approval for payment to the school.

Refunds Cancellation and Refund Policies

If Laurus College has substantially failed to furnish the training program agreed upon in the enrollment agreement, Laurus College shall refund to a student all the money the student has paid. Laurus College, in the case where a program is materially changed or cancelled, will give the student a fair chance to complete the program in which the student is enrolled or offer them another program with a demonstrated possibility of placement equal to or higher than the possibility of placement of the program they are enrolled in.

STUDENT'S RIGHT TO CANCEL

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first-class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period (see Withdrawal from the Program section which follows).
2. If a student wishes to cancel his or her enrollment, the cancellation request must be made in writing and sent directly to the President or the Registrar of the College. The notice of cancellation is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement. Written notice of cancellation may be sent to the College at: LAURUS COLLEGE, 421 East Betteravia Rd., Suite 100, Santa Maria, CA 93454, by mail or by hand delivery. If notice of cancellation is sent by mail, it is effective when deposited in the mail properly addressed with proper postage. Refunds will be issued by check and mailed to the students address on file within 15 days of notification of cancellation.

Written notice of cancellation may also be sent to the College via email: registrar@lauruscollege.edu. If notice of cancellation is sent by e-mail, it is effective when sent. However, **the student must confirm that the email was received by the College for the cancellation notice to be valid.** Students submitting a written notice of cancellation via email should request a 'read receipt' from the College. If the student does not receive an email confirmation from the Registrar within 24 hours of submitting, the student should call the Registrar at 805.267.1690.

3. If a student cancels his or her enrollment before the start of the training program, Laurus College shall refund to the student all the money the student has paid, minus

10 percent of the tuition agreed upon in the enrollment agreement or \$100, whichever is less.

WITHDRAWAL FROM THE PROGRAM

If a student withdraws or is expelled by Laurus College after the start of the training program and before the completion of more than 60 percent of the program, Laurus College shall refund to the student a prorata amount of the tuition agreed upon in the enrollment agreement, minus 10 percent of the tuition agreed upon in the enrollment agreement or \$100, whichever is less.

If a student withdraws or is expelled by Laurus College after completion of more than 60 percent of the training program, Laurus College is not required to refund the student any money and may charge the student the entire cost of the tuition agreed upon in the enrollment agreement.

If a refund is owed, Laurus College shall pay the refund to the person or entity who paid the tuition within 15 calendar days after the:

- (a) Date of cancellation by a student of his or her enrollment;
- (b) Date of termination by Laurus College of the enrollment of a student;
- (c) Last day of an authorized leave of absence if a student fails to return after the period of authorized absence; or
- (d) Last day of attendance of a student,

whichever is applicable.

Books, educational supplies or equipment for individual use are not included in the policy for refund required by subsection 1, and a separate refund must be paid by Laurus College to the student if those items were not used by the student. Disputes must be resolved by the Administrator for refunds required by this subsection on a case-by-case basis.

For the purposes of this section:

- (a) The period of a student's attendance must be measured from the first day of instruction as set forth in the enrollment agreement through the student's last day of actual attendance, regardless of absences.
- (b) The period of time for a training program is the period set forth in the enrollment agreement.
- (c) Tuition must be calculated using the tuition and fees set forth in the enrollment agreement and does not include books, educational supplies or equipment that is listed separately from the tuition and fees.

Students who qualified for a discount will have their refunds calculated with the discount considered. If the student received Title IV Funds, the Return to Title IV

Funds calculation, as described below, is performed first to determine the amount in Title IV funds the student is entitled to receive/retain.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory academic progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.

Refund example: A student enrolls in a Degree Program, and is charged \$4,000 in tuition and \$200 in program fees for the 10 credits, over 10 weeks enrolled (2, 5-week terms). The student pays the full \$4,000 in tuition and \$200 in program fees = \$4,200. The payment period is 10 weeks in length, representing 68 days. If a student stops attending at the end of the 4th week, or after 26 days, the % of time elapsed in the payment period is 26/68, or 38%. The amount of tuition the College would refund is \$2,480 ($\$4,000 \times 62\%$) and the amount of program fees the College would refund is \$124 ($\$200 \times 62\%$), less a registration fee not to exceed \$100.00, and less the Technology Package fee which is non-refundable since the student retains all of the equipment, software and subscriptions included with the Package.

If the student withdraws after their initial 100 credits attempted in a Bachelor's program, the Continuing Education fee is also non-refundable since the student retains all of the software and subscriptions included with the fee.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. Refunds will be issued by check and mailed to the student's address on file within 15 days of notification or determination of a student's withdrawal.
