

Student Right-To-Know ACT Disclosures

In accordance with the federal *Student Right-to-Know Act*, and to assist you in making an informed decision about your career education, Laurus College has provided the latest Integrated Postsecondary Education Data System (IPEDS) graduation, retention and student body diversity rates for your review. Placement rates are available in the federal Gainful Employment Disclosures, which can be found online at: <http://www.lauruscollege.edu/about-us/gainful-employment-disclosures/>

Annual Graduation Rate

The annual graduation rate is calculated based on a cohort of full-time, first-time, certificate-seeking students, enrolled from September 1, 2014 through August 31, 2015 and for whom 150% of the normal time for program completion has elapsed as of August 31, 2017. The initial cohort may be adjusted for students who left school to serve in the armed forces (or have been called up to active duty), on an official church mission, or with a foreign aid service of the federal government, or for students who died or became permanently disabled.

Graduation/Completion Rate
83%

Annual Transfer Rate

The annual graduation rate is calculated based on a cohort of full-time, first-time, certificate-seeking students, enrolled from September 1, 2014 through August 31, 2015 and for whom 150% of the normal time for program completion has elapsed as of August 31, 2017. The initial cohort may be adjusted for students who left school to serve in the armed forces (or have been called up to active duty), on an official church mission, or with a foreign aid service of the federal government, or for students who died or became permanently disabled.

Transfer Rate

Annual Retention Rates

Annual retention rates are calculated based on the percentage of first-time certificate-seeking students enrolled from August 1, 2016 through October 31, 2016, who are still enrolled or have completed their program as of August 1, 2017. Rates are reported for both full-time and part-time students. IPEDS does not calculate retention rates for programs lasting less than one academic year, defined as less than 900 clock hours for clock hour programs.
